PUBLIC NOTICE

Corps of Engineers ID Number:
LRL-2011-295-sjm

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

| 1. Applicant: | Mr. Thomas Warner
Indiana Department of Transportation
100 N Senate Avenue, Room N642
Indianapolis, IN 46204 | 2. Agent: | Mr. Mark Williams
INDOT-Vincennes District
3650 S US 41 North
Vincennes, IN 47591 |
|----------------------|---|------------------|--|
- 3. Project location:** Structure No. 1 SR 165-SE ¼, Section 19, Township 3 South, Range 12 West, Gibson County, Poseyville USGS Quad.
Structure No. 2 US 50-W ½, Section 4, Township 3 North, Range 10 West, Knox County, Fritchton USGS Quad.
Structure No. 3 SR 58-SE ¼, Section 22, Township 5 North, Range 5 West, Daviess County, Odon USGS Quad.
- 4. Affected waterbody:** Tributary to Black Creek, Tributary to Kelso Creek, Tributary to North Fork Prairie Creek
- 5. Project Description:** The applicant proposes to install liners into three structures to extend the serviceable life of the structures. Structure No. 1 is located on SR 165 approximately 0.25 mile north of CR 850 S. It is proposed to line the existing structure with a 62 foot liner and 10 feet of riprap at the downstream end. Structure No. 2 is located on US 50 east of South Hickory Corner Road. It is proposed to line the existing structure with a 60-inch steel casing approximately 180 feet in length. Structure No. 3 is located on SR 58 immediately west of CR 1200 E. It is proposed to install 70 feet of liner and install a stream pump around impacting an additional 40 feet of stream. No mitigation is proposed for these maintenance impacts. For additional information please visit the following webpage address: <http://www.in.gov/idem/6393.htm>.

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Mr. Jason Randolph, Project Manager, at 317-233-0467. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
